

- MUSICAL HIGHLIGHTS OF 2021 -

We were so pleased as things began to open up more in March after the virus closures, able to provide jazz to folks, uplifting their spirits through music, from duo gigs for our cherished retirement community fans, to small group and big band performances:

BILL PRINCE & FRIENDS: Featured artists in a series of special concerts led by multi-instrumentalist legend Bill Prince, including pianist Jeff Phillips, bassist Jay Mueller, drummer Clyde Connor. Showcasing each artist, Bill's playing, composing, and arranging.

HARRISON HIGH SCHOOL OF THE ARTS: Annual residency working with vocal and instrumental students in the study, experience, and performance of jazz. Solo, small group, and big band formats, always a highlight in our year, inspiring us as we seek to inspire them.

JB SCOTT'S SWINGIN' ALLSTARS: Our 7-pc New Orleans/Chicago Swing style Dixieland group presented this happy spirited music for an **Amelia Island Chamber Music Festival** in the park concert, a 14th year concert for our friends at Brookdale SS, and for other events.

THE FLORIDA SWING 18-pc ORCHESTRA: A well-received outdoor concert on the river. Big Band Era favorites, patriotic, Dixieland. Much toe tapping, dancing, a happy reunion for the band.

LISA KELLY DUO/TRIO & KELLY/SCOTT 5tet/6tet: A return to playing weddings, club dates, parties, at Ritz Carlton/Amelia Island, Ponte Vedra Inn & Club, Breezy's Jazz Club, Mudville Grille.

FRIDAY MUSICALE JAZZ CAMP: A 3rd successful year, with more students, a full house concert, and the need for registration for this year to be offered even earlier from growing interest.

HEIDI'S JAZZ CLUB: An exciting return for us as featured artists at this famous Florida jazz club in Cocoa Bch, especially performing to a sold-out house with house bassist, friend, Al Dodds.

JAZZ BY THE BAY JAZZ FESTIVAL: A 'headliner' return performance, our 6TH over the years, to this popular Panama City festival on the Gulf, with our **Kelly/Scott Sextet**. So well received, so happy for the presenters in beating the big challenges to present their great fest!

PONTE VEDRA FRIENDS OF THE LIBRARY: Our 6th appearance, the kick off for their concert series, welcomed again by a full house attendance for our **Kelly/Scott Sextet**.

ARLINGTON CONGREGATIONAL CHURCH: 3RD annual Christmas Eve service of sharing the beautiful story of Christmas through intimate jazz interpretations of beloved songs of Faith with our **Kelly/Scott Trio**, featuring voice, trumpet, and piano.
